Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Ok to film at the Elysian Park on 12/15/2019 (see plot plan).
- Ok to film in the Overflow Lot below the Water Tank and at the adjacent Gazebo area, first come first serve (see plot plan).
- Ok to park 3 Crew Cars along Angels Point Road (see plot plan).
- Not approved to Cater, Base-camp, use a drone, have a generator or an animal on-site.
- Ok to film Exterior Dialogue; Exterior establishing shots; Exterior models against scenery; Exterior motion without sound; Exterior music performance and amplified playback.
- Ok to conduct a standard 2 minute IPC.
- Not approved to alter the landscape or buildings.
- Company must not exceed 10 people in their production size for weekend filming.
- Use of City utilities (water and electricity) is $75 per use, per day. **The company will be invoiced by the Park Film Office once filming is complete.**
- Pyrotechnics, explosions, stunts and special effects may be considered on a case-by-case basis for exterior use only and requires approval by LAFD and the Park Film Office. Any special effects that may cause damage to the interior/exterior of cave integrity are not permitted.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- No simulated sex allowed on Park property.
- No nudity allowed on Park property.
- **Film permits do not provide exclusive use of a park or recreation area and includes the use of parking lots.**
- **Notifications signs must be posted at least 24-48 hours prior to filming as a courtesy for the public when requesting a playground area, basketball courts, soccer fields or baseball fields.**
- **Parking must be open and available for public use designated with proper signage by production.**

NOT A PERMIT

- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking and or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- No Smoking unless in designated area.
- No smoking on trails.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
